

# The Salons

Our Salons offer a wide range of commercial hairdressing services to a professional standard and our department has been recognised as **'Outstanding'** by Ofsted. We have been awarded the highest grade possible, Grade 1, in our last four consecutive Ofsted inspections for teaching and learning.

Your hairdressing stylist is a trainee, which is reflected in our pricing structure. Consequently, your hairdressing service time will take longer but will be fully supervised.

Our service options & salon appointment availability may vary due to educational demands. Our salon receptionist will be happy to advise you.

Don't forget to ask about our range of Beauty & Holistic Therapy Treatments. Call 01329 815 256.
