CEMAST CETC BUSINESS PLUS

OUTSTANDING

BUSINESS SUPPORT SCHEME

Looking to grow your business, improve your operations and enhance your online presence?

Sign up for our free business consultancy service, where a member of our team will work with you to create a bespoke plan, outlining any barriers to growth and how these can be addressed.

Also available to you are free masterclasses and network sessions. These monthly experiences will offer breakfast networking and training opportunities, giving businesses an introduction to key e-commerce concepts and developing a business network.

Masterclass and Network

These three-hour interactive monthly sessions will offer you breakfast networking and training opportunities to help support your business growth.

Topics include:

- ✓ Creating an online presence
- ✓ Social media to your advantage
- ✓ Digital branding and engagement
- ✓ The power of 'click and collect.'

Training and Qualifications

We offer a variety of training courses which are delivered over four to six weeks (online and face-to-face).

Training Programme:

- ✓ Reinventing your brand
- ✓ Marketing through social media
- ✓ Instagram for beginners
- ✓ Website creation.
