## **INTRODUCTION**

### **1 Policy statement and legal requirement**

- 1.1 Adopting a publication scheme is a requirement of the Freedom of Information Act 2000 (FOIA). This Act promotes greater openness and accountability across the public sector by requiring all 'public authorities' to make information available proactively through a publication scheme.
- 1.2 'Public authorities' are defined in the Act and include universities, further education colleges and sixth form colleges.
- 1.3 Fareham College is compliant with the requirement of the Further Education model provided by the Information Commission. The College is committed to making as much information about College activities as possible generally available to the public either through published documents (including those published on the College website), or on request.

### **2 What is a publication scheme?**

- 2.1 A publication scheme is a document which describes the information a public authority publishes, or intends to publish. In this context, 'publish' means to make information available, routinely. These descriptions are 'classes of information'. The scheme is not a list of the actual publications, because this will change as new material is published or existing material revised. It is, however, the public authority's **commitment** to make available the information described.
- 2.2 A publication scheme must set out the classes, or categories, or information published. It must also make clear how the information described can be accessed and whether or not charges will be made.

### **3 The 'model' publication scheme for further education**

- 3.1 The College adopted the model publication scheme developed for the Further Education sector and is therefore committed to publishing the information it describes.
- 3.2 That model was designed for further education colleges and sixth form colleges across England, Wales and Northern Ireland. The purpose of the model is to save institutions duplicating effort in producing individual schemes and to assist the public in accessing information from across the sector. However, to reflect the diversity in size and function of institutions, a number of optional classes of information are included. As a result, models within the sector will vary slightly. Any optional classes relevant to us have been included in our scheme.

### **4 Accessing information covered by the publication scheme**

- 4.1 The classes of information we publish are described in Annex A to this policy
- 4.2 Next to each class we have indicated the manner in which the information described will be available. Charges may apply to supplying material that we have to supply in hard copy.

4.3 To request information available through our publication scheme, that is not available on-line at <https://www.fareham.ac.uk>, please contact: Head of Governance, Fareham College, Bishopsfield Road, Fareham, Hampshire PO14 1NH. Tel. No. 01329 815209 or email [foi@fareham.ac.uk](mailto:foi@fareham.ac.uk)

4.4 Please note that a publication scheme relates to 'published' Information. Therefore, material covered has already been prepared in a format ready for distribution.

## **5 What about information not covered by the publication scheme?**

5.1 Since January 2005 you have had the right, under the FOIA, to request any information held by a public authority, which it has not already made available through its publication scheme.

5.2 Requests should be made in writing and, in general, public authorities will have 20 working days to respond. They may charge a fee, calculated according to Fees Regulations. They are not required to release information to which an exemption in the Act legitimately applies. However, public authorities may be required to explain to the applicant why they are not releasing information and they may also have to justify this to the Information Commissioner.

5.3 When dealing with a request for information which contains personal data, the College will consider the request under the appropriate FOIA section of the Data Protection Act 2018 and the new EU General Data Protection Regulation that came into effect on 25 May 2018.

5.4 If we are unable to resolve any complaint, you can complain to the Information Commissioner, the independent body who oversees the Freedom of Information Act:

Information Commissioner  
Wycliffe House  
Water Lane  
WILMSLOW  
Cheshire SK9 5AF

## **6 Further Information**

More information about the Freedom of Information Act is available on the Information Commissioner's website at:
